FOR THE RIDE

**2.300cc. DE CARÁCTER  
NO APTOS PARA TODOS LOS PÚBLICOS**

La poderosa Rocket III cumple 10 gloriosos años en la carretera y se merece el más exclusivo de los homenajes.

La motocicleta de producción en serie de mayor cilindrada del mundo desafía ahora todas las normas y convencionalismos y da lugar a la Rocket X, una pieza de edición limitada a 500 unidades para todo el mundo.

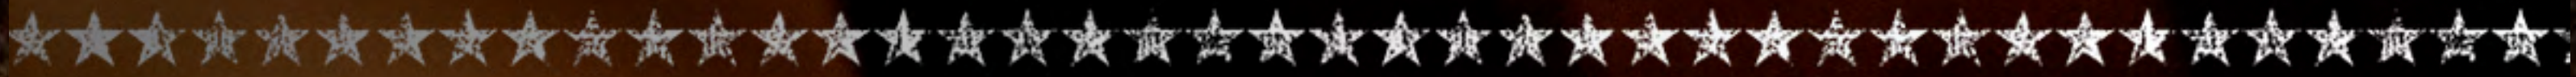

Su inconfundible figura luce un look "total black" que requiere más de 10 horas de trabajo artesanal de pintura y pulido metálico por parte de los especialistas de 8 Ball a lo largo del depósito y los guardabarros y que culmina con un impactante acabado en negro en sus escapes, colectores, pantalla, manillar, cúpula y llantas. No te quedes sin ella.
